FUN WITH YOUR FAMILY THIS SUMMER!

**UNITED METHODIST
FAMILY CAMP**

**@
KOINONIA CONFERENCE
GROUNDS**

CORRALITOS, CA

JUNE 7-13, 2026

United Methodist Family Camp is an annual summer camp held at the Koinonia Conference Grounds between Aptos and Watsonville, CA.

Our camp is for all ages, from infants to seniors. Teens, singles, and families of all kinds are welcome - everyone is part of the family.

Family Camp is informal and flexible. The day begins with a morning meeting that includes camp songs, announcements and faith sharing. Many activities are scheduled throughout the day. It concludes with campfire singing, skits, and inspiration. All activities are by choice.

At the end of the week we have a Talent Show and Awards, a chance to reflect on all the fun events of the week. A final campfire communion and sharing of gritudes closes out the week.

We are sponsored by the California-Nevada Annual Conference of the United Methodist Church. Family Camp has a long, rich history and has been meeting in a variety of forms since 1957.

Family Camp is a week-long communion with friends and loved ones in early June. While sponsored by the United Methodist Church we welcome ALL campers (and ALL means ALL).

We are honored to have new Campers join us in this unique summer experience that for many has become the highlight of their year.

Camp Site

Koinonia is set inside a beautiful redwood grove with a central grass field surrounded by all the primary buildings and cabins. The grounds are lovingly cared for, all facilities are state of the art and the natural beauty abounds.

Accommodations

Koinonia has over 40 rooms of various sizes which sleep between 4 and 12. Each room has an attached bathroom. Sharing with other families is encouraged to allow as many campers to attend as possible.

Dining & Snacks

All meals are provided by Koinonia. During the afternoon, a Snack Shack sells ice cream and other goodies. In addition, the Camp provides snacks in the evening after campfire. Koinonia has an on-site barista that makes drinks for an additional cost.

Classes

Children and Youth are grouped by age to encourage familiarity and to plan their campfire skits.

There is a preschool play yard and childcare is provided.

Adult classes are offered on various subjects related to faith and current events.

Rest & Relaxation

Relaxation is strongly encouraged - we have a "flake out" time every day after lunch to take a nap, read a book or just take in the sounds of nature. Whether near others or isolated, the seating is plentiful and welcoming.

Jigsaw puzzles are a popular daytime activity.

Pool

Koinonia has a heated pool that is open in the morning for lap swimming. In the afternoon it's available for free swim and Aqua Fitness.
